AMERICAN HERITAGE SCHOOL-SALT LAKE CITY CAMPUS
SCHOLARSHIP GUIDELINES
(UPDATED JANUARY 2024)

NEED-BASED SCHOLARSHIPS

Purpose: The purpose of need-based scholarships is to help families already enrolled at American Heritage School who are having substantial difficulty in making tuition payments.

Requirements: Before a family is considered for a need-based scholarship, the following requirements must be satisfied:
- Family must be current on tuition payments.
- Family must have carefully explored other sources of assistance, such as sponsorship from extended family members.
- Students must demonstrate Christian behavior and adherence to the school's mission statement.
- Student must demonstrate consistent, satisfactory academic and behavioral performance.
- A completed need-based application (available on the School's website) must be submitted.

Terms of Scholarship: A family that receives a need-based scholarship should be aware of the following terms of the scholarship award:
- A need-based scholarship is effective only for the academic year for which the family applies. A new application is required for each subsequent year.
- A need-based scholarship is effective only if the student is enrolled at American Heritage School. If a student withdraws from the School, the remainder of the scholarship grant is forfeited.
- A need-based scholarship is effective only so long as the student continues to demonstrate a good faith effort to adhere to the mission statement and policies of the School.
- Awarded amount is not transferrable.
- The Family's tuition account must be and remain current.
- A family who receives a need-based scholarship can expect to be called upon from time to time to provide service to the school beyond the 30-hour minimum service hour commitment (examples might include temporary lunchroom help, special event set-up or take-down, special event assistance, project-based custodial assistance, etc.).
- Scholarship awards are confidential.
- Families receiving financial aid are further expected to pay tuition via payment formats that provide cost savings to the school through automated processing.
